## **GO CREATIONS**

Go Creations is a design and communications company that provides quality fine art, graphic design, multimedia branding, web development and communication consulting solutions.

Our core business is giving our clients a strategic edge by providing them with a formidable and dynamic presence; therefore ensuring consistence in communicating their values to the targeted audience.

We have remained consistent to our objectives by continuing to maintain an enviable reputation of providing market distinct designs, vibrant visuals and infinite communications strategies for our partners and clients.

## **The Management and Staff**

We have a veteran leadership team – knowledgeable and committed to excellence. Go Creations’ leadership team has proven itself to be strong, experienced and stable. Our management has out-of-the-box thinkers who continue to bring forth a wealth of fresh ideas, processes and experiences to strengthen Go Creations even more.

The talent and commitment of all Go Creations employees helps to make us a responsive leader in the market. Our vision is constant and unwavering: To be our clients’ best asset.

Go Creations provides personalized Services tailored to the needs of our clients within your budget, right on time and with an obsessive dedication of getting it right not just the first time, but every time!

## DESIGN

Our Corporate Brand designs are as vibrant as they are distinct. The product brand design portfolio has – Logos designs, letterheads, business cards, complimentary slips, invoices, quotations, delivery notes, receipts and much more.

Publication layouts are easy on the eyes while maintaining client specifications and likes. They can also be elaborate and radical. They include book covers, book layouts, and magazine layouts among others.

Publicity material like posters, banners, fliers, E-fliers, brochures, calendars and all occasion cards say it for themselves. For your service campaigns and product awareness, point us to your audience and we will capture them for you.

## NEW MEDIA
